

PROCUREMENT SERVICES FACTSHEET

Helping Clients Outperform by Transforming Procurement Ecosystems

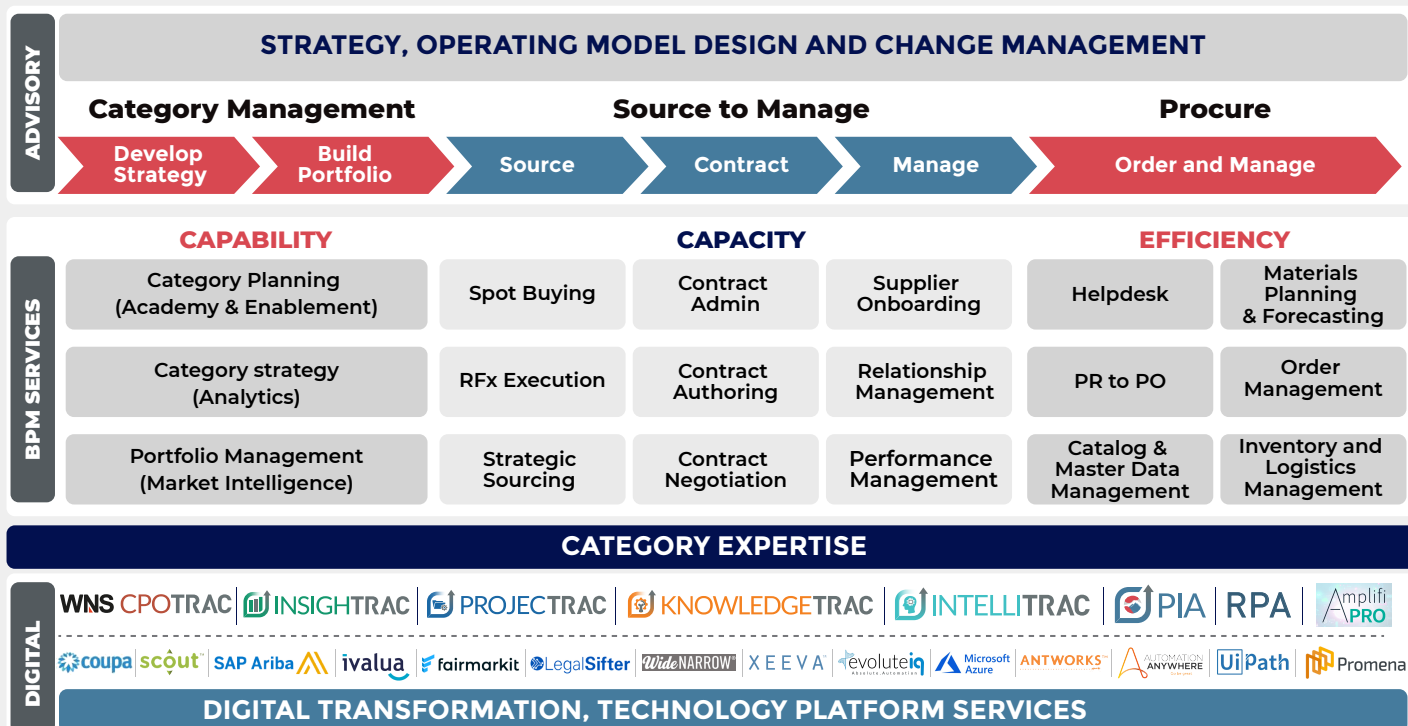

The Global 2000 across industries partner with WNS Denali to transform their procurement and supply chain functions and drive greater stakeholder value.

WNS Denali's novel approach combines expert resources with leading digital technologies, merging human and artificial intelligence with innovation. We enable our clients to deliver on their business, financial, and sustainability goals and outperform in their markets.

Our recent acquisitions of [The Smart Cube](#) and [OptiBuy](#) have strengthened our leadership position in procurement and supply chain advisory, managed services, and digital transformation. We can now embed even deeper capabilities, from advanced intelligence and analytics through to market-leading platform implementation.

What continues to make WNS Denali unique is that we meet our clients where they are. We assess, co-create and operate their end-to-end procurement ecosystem by implementing fully customized, next-generation solutions.
